

EARN Program Q&A

What is the RN to BSN: Educational Advancement for Registered Nurses (EARN) Program?

- It is a BSN completion program offered at the Auburn Montgomery School of Nursing. The program is designed for Associate or Diploma Degree RNs who wish to complete a Bachelor Degree in Nursing.

Why should I choose AUM's RN to BSN: EARN Program?

- Totally Online (Hybrid format if you are in a cohort sponsored by a partner hospital)
- You are never required to come to campus
- One Calendar Year on a full-time track (Part-time options also available)
- Fall, Spring, & Summer Admission
- No Admission Fee
- Scholarships Available
- Online Tutoring

How do I enroll in AUM's RN to BSN: EARN Program?

- Obtain admission into Auburn Montgomery, then submit the EARN program application
- A "C" or higher in English Composition II, core-level math, and no more than six outstanding core courses. You must make a grade of "C" or higher in all core courses.
- Possess unencumbered Registered Nurse licensure by the Board of Nursing
- A core GPA of 2.5 or higher on a 4.0 scale to be eligible for entry
- Official copies of your BLS certification, immunization records, physical examination, and 2-step TB skin test results submitted to CastleBranch.com before entering the RN to BSN program. The submission code is provided upon admission.

When are the application deadlines?

- Fall Application Deadline: August 1st
- Summer Application Deadline: May 15th
- Spring Application Deadline: December 15th

Whom should I contact if I have questions or need more information?

- Please contact Audrey Shaw at ashaw7@aum.edu or 334-244-3527.

Note: All academic programs in the College of Nursing and Health Sciences are professional limited access programs. Students must apply to each desired individual program. Students must be currently enrolled at AUM or have documentation of acceptance by the Admissions Office.
